

Press release – for immediate release

11TH SEATRADE MARITIME AWARDS ASIA FINALISTS UNVEILED

Singapore, 12 March 2018: Forty-four finalists for the Seatrade Maritime Awards Asia 2018 have convinced an independent panel of judges of their well-deserving achievements over the past year. Held in conjunction with the Singapore Maritime Week on 25 April 2018 at the Marina Bay Sands®, Singapore, the 11th Seatrade Maritime Awards Asia gala dinner not only brings together some of the most respected and senior maritime professionals in a premier networking setting but also seeks to recognise and honour remarkable contributions from maritime individuals and companies.

One of the key highlights for this year’s awards is four newly introduced competitive categories, including the Green Shipping Award, Fuel Efficiency Award and Communications at Sea Award. Awards submissions across 13 competing categories were encouraging and forthcoming.

“The Seatrade Maritime Awards Asia recognises efforts from companies that constantly rise above challenges and go the extra mile to outperform itself. Quality of these submissions were impressive and surpasses each edition of the event,” said Marcus Hand, Asia Editor, Seatrade Maritime Review and Chairman of the Seatrade Maritime Awards Asia Judging Panel.

Guest-hosted by Mediacorp CLASS 95 DJ Yasminne Cheng, winners of the 16 awards will be unveiled on the night of the event.

Visit www.seatradeasiaawards.com to find out more about how you can participate.

About the Singapore Maritime Week 2018 (21st – 27th April 2018)

Seatrade Maritime Awards Asia is held in conjunction with the Singapore Maritime Week 2018 (SMW). SMW is the leading maritime event in Singapore driven by the Maritime and Port Authority of Singapore. SMW gathers the international maritime community in Singapore for a week of conferences, dialogues, exhibitions and social events in celebration of all things maritime. These events reflect the vibrancy and diversity of Singapore as a major international maritime centre.
